Disney Cup International Youth Soccer Tournament July 13 - 18th, 2010

Come and play in Disney Wide World of Sport® Complex's largest international soccer tournament! The Disney Cup International Youth Soccer Tournament attracts 120 teams from seven countries across nine age classes. All teams stay in an official tournament hotel and have the opportunity to enjoy specially-priced WALT DISNEY WORLD® Theme Park tickets, exclusive to participants and families of Disney Soccer tournaments.

Your Team will stay at Disney's Coronado Springs Resort.

The Coronado Springs Resort is adjacent to disney-mgm studios and less than one mile from disney's winter summerland miniature golf course and disney's blizzard beach water park. Guests are four miles from the magic kingdom park and disney's animal kingdom and six miles from epcot center.

Combining elements from colonial spain, mexico and new mexico, disney's Coronado Resort is a cultural escape. The lakeside Resort decorates the horizon with domed spanish rooftops in the colors of sunset. The Resort area is highlighted by colorful plazas, palm-shaded courtyards and a rocky shoreline surrounding a shimmering lake. A mayan temple towers over an elaborate pool area with a water slide and cascading fountains. Spanish-style guest rooms are accessed by elevators and stairs and include dial-up internet access, wall safes and satellite televisions.

Entertaining and relaxed, disney's Coronado Springs Resort is certain to provide enough fiestas for every disney-bound family member.
